Changes. Changes in the Monthly Base Charge and/or other rates, the type, size and amount of equipment, and the frequency of service may be agreed to orally or in writing by the parties without affecting the validity of this Agreement. Consent to oral changes shall be evidenced by the practices and actions of the parties.

Payments. Customer shall pay BFI on a monthly basis for the services and/or equipment furnished by BFI in accordance with the charges and rates provided for herein. Payment shall be made by Customer to BFI within ten (10) days of the receipt of an invoice from BFI.

Waste Material. The waste material to be collected and disposed of by BFI pursuant to this Agreement is solid waste generated by Customer excluding radioactive, volatile, highly flammable, explosive, toxic or hazardous material. The term "hazardous material" shall include, but not be limited to, any amount of waste listed or characterized as hazardous by the United States Environmental Protection Agency or any state agency pursuant to the Resource Conservation and Recovery Act of 1976, as amended, and applicable state law. BFI shall acquire title to the solid waste when such waste is loaded into BFI's trucks. Title to and liability for any waste excluded above shall remain with Customer and Customer expressly agrees to defend, indemnify and hold harmless BFI from and against any and all damages, penalties, fines and liabilities resulting from or arising out of such waste excluded above.

Liability for Equipment. Customer acknowledges that it has the care, custody and control of equipment owned by BFI and accepts responsibility for the equipment and its contents except when it is being physically handled by employees of BFI. Adjustments shall be made upon BFI receiving notice from the landfill operator. BFI shall notify Customer of the increase and forward a copy of the notice received from the landfill operator.

Rate Adjustments. The charges and rates provided for herein may be adjusted by BFI from time to time upon notice to Customer thirty (30) days prior to the effective date of the adjustment.

Changes. Changes in the Monthly Base Charge and/or other rates, the type, size and amount of equipment, and the frequency of service may be agreed to orally or in writing by the parties without affecting the validity of this Agreement. Consent to oral changes shall be evidenced by the practices and actions of the parties.

Failure to Perform. In the event Customer terminates this Agreement prior to the expiration of its term, Customer agrees to pay BFI as liquidated damages a sum equal to the total of Customer's monthly charge for the most recent six months, or, if Customer has not been serviced for six months, Customer's most recent monthly charge multiplied by six. In the event Customer fails to pay BFI all amounts which become due under this Agreement, or fails to perform its obligations hereunder, and BFI refers such matter to an attorney, Customer agrees to pay, in addition to the amount due, any and all costs incurred by BFI as a result of such action, including a reasonable attorney's fee.

Excused Performance. Neither party hereto shall be liable for its failure to perform hereunder due to contingencies beyond its reasonable control including, but not limited to, strikes, riots, fires, and acts of God.

The waste material to be collected and disposed of by BFI pursuant to this Agreement is solid waste generated by Customer excluding radioactive, volatile, highly flammable, explosive, toxic or hazardous material. The term "hazardous material" shall include, but not be limited to, any amount of waste listed or characterized as hazardous by the United States Environmental Protection Agency or any state agency pursuant to the Resource Conservation and Recovery Act of 1976 as amended, and applicable state law. BFI shall acquire title to the solid waste when such waste is loaded into BFI's trucks. Title to and liability for any waste excluded above shall remain with Customer and Customer expressly agrees to defend, indemnify and hold harmless BFI from and against any and all damages, penalties, fines and liabilities resulting from or arising out of such waste excluded above.

Liability for Equipment. Customer acknowledges that it has the care, custody and control of equipment owned by BFI and accepts responsibility for the equipment and its contents except when it is being physically handled by employees of BFI. Therefore, Customer expressly agrees to defend, indemnify and hold harmless BFI from and against any and all claims for loss of or damage to property, or injury to or death of person or persons, resulting from or arising in any manner out of Customer's use, operation or possession of any equipment furnished under this Agreement.

Damage to Pavement. Customer acknowledges that BFI shall not be liable for any damages to pavement or driving surface resulting from its trucks servicing an agreed upon area.

Landfill and Fuel Adjustments. BFI reserves the right to adjust the rates hereunder based upon increases in fuel and landfill cost.

Other Rate Adjustments. BFI may adjust the rates hereunder from time to time for reasons other than landfill and fuel adjustments, but any such other adjustment that results in a percentage increase greater than the percentage increase in the local Consumer Price Index for Urban Wage Earners and Clerical Workers (All Items) published by the U.S. Department of Labor, Bureau of Labor Statistics, since the date of the last such adjustment (or since the date of execution of this Agreement, in the case of the first such adjustment) shall be subject to Customer's approval upon thirty days notice prior to the effective date of the adjustment.

Changes. Changes in the rates, the type, size and amount of equipment, and the frequency of service may be agreed to orally or in writing by the parties without affecting the validity of this Agreement. Consent to oral changes shall be evidenced by the practices and actions of the parties.

Failure to Perform. In the event Customer terminates this Agreement prior to the expiration of its term, Customer agrees to pay BFI as liquidated damages a sum equal to the total of Customer's monthly charge for the most recent six months, or, if Customer has not been serviced for six months, Customer's most recent monthly charge multiplied by six. In the event Customer fails to pay BFI all amounts which become due under this Agreement, or fails to perform its obligations hereunder, and BFI refers such matter to an attorney, Customer agrees to pay, in addition to the amount due, any and all costs incurred by BFI as a result of such action, including a reasonable attorney's fee.

Excused Performance. Neither party hereto shall be liable for its failure to perform hereunder due to contingencies beyond its reasonable control including, but not limited to, strikes, riots, fires, and acts of God.

Assignment. Neither party shall assign this Agreement without the prior written consent of the other party, except that BFI without Customer's consent may assign this Agreement to any corporation affiliated with BFI.
